## Ringkasan

I am a dedicated Informatics Engineering student (class of 2022) at the University of Darussalam Gontor with a passion for web development and technology innovation. Currently, I am honing my skills as a cohort member of Bangkit Academy 2024 (Batch 2), specializing in machine learning. I thrive on solving complex problems, building scalable web applications, and exploring the vast potential of AI-driven solutions.

With a foundation in informatics and a growing expertise in both web development and machine learning, I am eager to contribute to impactful projects and advance my career in the tech industry.
